

ACCOUNTS

At this time, the Family & Friends feature will be available for UMCU business accounts only. Please reach out to a UMCU Representative for further information.

**Who qualifies for the Family & Friends feature on my business account?**

- At this time, only current UMCU members are eligible to utilize the Family & Friends feature on business accounts.

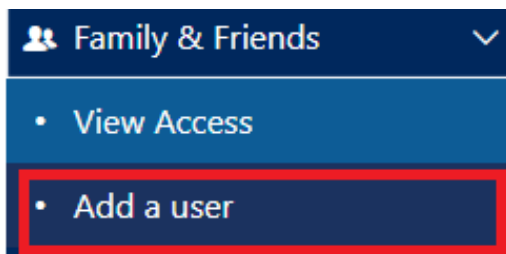

**How do I activate the Family & Friends feature on my business account?**

- If you have a current UMCU business account, you will automatically be eligible for this feature using Online Banking or the Mobile App.

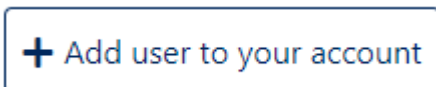

**How do I add a user to my business account’s Family & Friends feature?**

- Go to the Online Banking homepage, click on the **“Family & Friends”** tab, on the left-hand menu.

- Select **“Add a user”**.

- Click **“+ Add a user to your account”**, located in the upper right-hand corner.

- Input the new user’s information that you want to have Family & Friends access.

## ACCOUNTS

- Continue to the next screen.  
**Note: You can only add current UMCU members as a user.**
- Confirm **“Add user to this account”**.
- You can now see the new Family & Friends request pending.
